KNOWLEDGE & INSPIRATION

OFFLINE MEETING

Technologies shape our world, give us hope and opportunities and... create huge threats.

News about technology's impact on elections and wars and, of course, the economy shakes regularly with the world.

How to find a path in the overwhelming flow of news?

What do we not notice under the cover of clickbait titles?

Sylwia Czubkowska, an outstanding economic and technology journalist and co-host of the Techstorie Podcast of the Year for 2024, creator of Spider's Web magazine will guide us through the complexity of today's tech revolution.

AGENDA

- 8:30 Registration & welcome coffee**
- 9:00- 9:30 Speech of Sylwia Czubkowska**
- 9:30 - 10:00 Q&A**
